The Hon. J. WARREN said he had had an opportunity of considering the Bill. It was very important in the interest of the working classes in the city of Buffalo, where the water supply was hitherto entirely dependent upon the nearby lake. He was satisfied that the Bill would be a boon to the city and its inhabitants.

The Hon. J. W. MCDERMOTT said he was in favor of the Bill. He believed it would be a great improvement for the city of Buffalo, and he hoped it would pass.

The Hon. J. D. DUFFY said he was opposed to the Bill. He believed it would be a great evil to the city of Buffalo, and he opposed it on principle.

The Hon. J. H. HARRIS said he was in favor of the Bill. He believed it would be a great improvement for the city of Buffalo, and he hoped it would pass.
